Bucher Industries
ZKB Swiss Equity Conference 2026

BUCHER

Manuela Suter, CFO
Zurich – 5 November 2026

Bucher’s strength

Great expertise and customer focus

Exciting innovation pipeline

Strong market positions

Excellent foundation for profitable growth while continuously increasing production efficiency

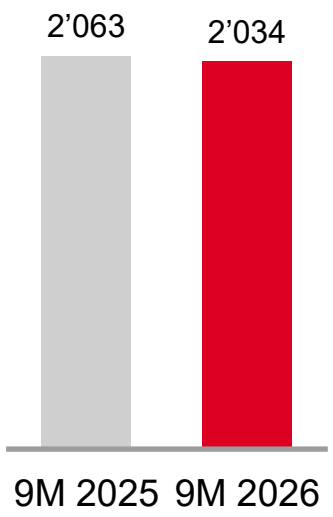

Stabilisation of demand

Nine months 2026

Order intake

0.2% change[1)]

CHFm

Net sales

-1.3% change[1)]

CHFm

Demand stabilised in recent months, driven primarily by segments outside the agriculture-related business

In the first nine months, order intake and sales remained at the prior-year level

Consistently pursuing cost-saving measures at sites with low capacity utilisation; remaining well positioned in the current environment thanks to very solid financial position

Outlook for 2026

For 2026, the Group overall expects slightly lower sales on a comparable basis. The operating profit margin is expected to be below the prior-year level (excluding the profit of CHF 43 million from the sale of a property in 2025).

[1)] Comparable, i.e. adjusted for currency and acquisition effects

Bucher Industries
Equity story

01 Simply great machines

02 Agile operating model with long-term perspective

03 Strong cash generation reinvested at attractive returns

04 Divisional strategies aligned with structural growth trends

05 Bucher Industries: a healthy investment
